

PATEL AAYUSHI

MERN STACK DEVELOPER
8490878005

Profile

I am a final-year Diploma student in Information Technology at Hasmukh Goswami College of Engineering, Monark University. Passionate about technology and continuous learning, I am currently honing my skills in MERN stack development. With experience in web development, programming, and teamwork, I aim to contribute to innovative projects while advancing my technical and problem-solving abilities. My ultimate goal is to secure a role where I can align my expertise with impactful opportunities
